Rev. Hansen with President of Parliament Rwanda Joseph Sebarenzi Kabuye

NOTE: Church Leaders have invited Rev. Hansen to return to Rwanda to speak on National Repentance and Reconciliation. They are attempting to secure the National Stadium for a seven day Crusade and the Government plans to give three days off for this event. President Joseph Sebarenzi Kabuye; President of Parliament of Rwanda telephoned Rev. Hansen after he returned to his home in America and asked him if he was coming back to Rwanda.

If only we would share what God wants instead of relying on our own understanding and our own words, God will indeed put us before Nations, Kings and Presidents. Jesus is looking for people that will represent Him faithfully without compromise.

A WORD FOR BURUNDI AND ITS LEADERS!

Rev. Hansen traveled to Bujumbura, Burundi to give a word for the President of Burundi, S.E.Le Major Pierre Buyoya; to give a word of WARNING/Prophecy to the nation and to speak with Members of Parliament, Church and Business Leaders who were also invited. During his three days of meetings in Bujumbura, he spoke to professors one day in a town house type of meeting. Another day he spoke to thousands of people in the capital where Ndikumagenge Sanvatol, reportedly the richest man in the nation (Billionaire), received Jesus as his Lord and Saviour along with hundreds of others. The final day he spoke to the leadership of the nation. During this meeting in the capital where the Members of Parliament, Church and Business leaders were present, those who attended heard the following:

“Many sins have been committed in this room! Without a total turning to the Lord Jesus Christ there will and can be no lasting peace in Burundi. The Word for Kenya applies here (it was explained). Man in rebellion against God and his fellow man will continue to manipulate, control and conquer. The world will continue to conspire and deceive you until you are defeated and abide by the dictates of a world leader. I know nothing about the situation here except that the Lord told me some of you sitting here are MURDERERS! You must now repent! If you fail to repent God will send the Death Angel to take some of you one by one to demonstrate that my message is from God. One has shot a man in the head; one has slashed another across the body and face.”

When Pastor Hansen called for repentance five people raised their hands.

NOTE: Please pray for an upcoming meeting between Rev. Hansen and the President of Burundi. The Office of the President of Burundi, S.E.Le Major Pierre Buyoya, had Rev. Hansen on stand-by one complete day hoping to get him in to see the President, however, due to the Presidents travels upcountry they explained, he was not available that day. Rev. Hansen could not stay another day due to meetings in Rwanda, including a private audience with the President of Parliament of Rwanda. Rev. Hansen will be going back to Burundi to talk with their President, giving him a personal Word as well as a word concerning Burundi.

All the meetings including the leaders of the Nation were tape recorded and Rev. Hansen has the tapes!
