

WARNING

To the Christians
and people of
Hong Kong

By Jonathan Hansen

Reverend Jonathan Hansen is a messenger from God. He travels now to countries where God has given him a Warning to proclaim.

On 8 October 1994, the Lord Jesus Christ gave the following Warning.

“Money is your God and you had been deceived by deception believing a twisted gospel. I will use China to draw you to me. If you draw near unto me there will be a reprieve. If not, the churches now will be absorbed.”

On 14 July 1995, the Lord again spoke to Rev. Hansen concerning the people of Hong Kong:

“Hong Kong, Hong Kong, a land of steel and might. For you have depended upon yourself and the sea. But, the sea will give its ghost. Your stench has raised up to the heavens, but I will bring you down to earth again. cast your eyes unto me. For I am looking toward you. I have never left you although you have left and are leaving me. Awake, awake, all your people. For you will become squatters in a land you once knew and in a land you know not. I will remove the shackles from your spiritual eyes so you can see the eternal again. And you will know I AM that I AM. Look up for your redemption draweth nigh.”

Dear people and fellow believers in Hong Kong. The Holy Spirit through prophecy has forewarned you that great trouble lies ahead of you. That you have forsaken the God of the Universe; the God who created the land and the sea; the fish, animals and all they that dwell on and in the earth. God is telling you that He in His Mercy and love is sending great plagues upon you in order to remove your wayward hearts. The spirits of this world have blinded your inner eyes to the eternal future. All of your senses

are in tune with gods of this world. The gods of rebellion, strife, discord, lust, greed, covetousness, vanity of vanities. You have depended on your own strength. Wisdom and understanding. You have worshipped yourselves and your fathers. The living God, the one and only God has called you back to Himself through Jesus Christ His Son. The Holy Spirit which is the only God has called you back to Himself through Jesus Christ His Son, is warning you. That you, the people of Hong Kong, will become squatters or visitors, not owners of your own country. Both in Hong Kong and in China, you will dwell and wander. God will deal with you wherever you go or are sent. And through this trying time, you will come to know what is real, eternal, and what is temporal and passing. Many many of you will find your eternal life, real joy, peace, and true prosperity. Others will continue to reject God’s love until they are damend.

Christians, God is going to use China to turn your hearts back to your first love, Jesus Christ. Be not afraid, but look to the author of your faith. The Word (Holy Scriptures), Jesus Christ is calling and coming for a people with a pure heart. The riches from Hong Kong’s financial money markets will fail! The sea will fail! Turn to your only security, The Lord Jesus Christ through God’s Word.

THERE IS HOPE!

Read these Scriptures in the Holy Bible. Turn to the Lord Jesus Christ with all your mind, soul and heart.
