Interceding for the Nations

Intercessors are called by the Lord Himself and are key to backing God's appointed and anointed leaders in His purposes for the Kingdom. The enemy of our souls is working hard to destroy the witness of the gospel in all front line ministries. Thus, our vision at World Ministries International is to have 2,000 intercessors in every country in which Dr. Hansen is ministering, confronting sin at the highest levels in the nations, both politically and within the church, and praying for victory for the Kingdom of God and for His Bride. This is a very unique ministry and needs the prayer covering of many faithful and committed intercessors in order to survive as we confront a beast government and/or tyrannical leader of a nation.

We are looking for intercessors who are truth seekers, filled with the Holy Spirit, and standing on the precious Word of God. If you have a burden for the condition of the church and the nations, please help us today by becoming one of our prayer intercessors. Together with God's blessings, through your prayers we can reach and warn the nations.

WMI's goal is to have each person on our mailing list backing this ministry with a **$25.00 minimum** donation per month. With this donation you will be a part of our **"Tape of the Month"** partnership program, receiving a **Cassette or CD** every month with one week of radio messages and an encouraging update from Dr. Hansen. This will enable him to get the ***"Warning"*** message out to every nation, every city, every town, and every village.

How can we as intercessors pray for other people to sow into this ministry if we ourselves are not willing to make that commitment? Therefore, we urge that each committed intercessor will sow into the vision as the Holy Spirit leads.
